

SEVEN-NIGHT ITINERARY HIGH WATER SEASON (December–May)

Day 1: Saturday IQUITOS/AMAZON RIVER

4:05 p.m. Flight from Lima LP 394

5:50 p.m. Arrival
Your guides await you, as your flight from Lima glides in for landing at Iquitos International Airport. After you've claimed your luggage, you will board an air-conditioned bus for your journey to the river.

6:00 p.m. Transfer to Iquitos' main wharf. There the M/V Aqua awaits you.

6:20 p.m. Embarkation and check-in
As you settle into your over-sized suite, your vessel will start on its journey toward the Yanayacu River, deep in the heart of Amazonia. Over the next seven days, you will also sail along the two largest tributaries of the Amazon, the Ucayali and the Marañón, as well as on the mighty Amazon itself. You are embarking on a spectacular adventure, to a place visited by only a few of even the most experienced world travelers.

7:30 p.m. Safety Drill and Briefing on the Top Deck
Before dinner we will perform a routine safety drill. Following that, your Cruise Director and Guides will give a brief orientation talk about life on board, where you will go and what you will see on your Amazon journey.

8:00 p.m. Welcome Dinner
Peruvian cuisine is considered one of the world's best. Here it is presented with a touch of European flair, and a vegetarian dish is always available. Raise a glass of fine South American wine to toast the beginning of a beautiful journey, then look out the window and watch the river go by as you experience your first wonderful meal aboard the M/V Aqua.

Perhaps enjoy a nightcap on the Upper Deck, under the stars, before retiring.

Day 2: Sunday AMAZON/TAHUAYO RIVER/CHARO LAKE/YACAPANA ISLAND

6:30 a.m. Early Morning Skiff Expedition on the Amazon River
Be up early to catch your first glimpse of the majestic Amazon River, as you watch the sun rise over this green world filled with wonderful wildlife. This initial contact with Amazonia is only a brief sampling of what the rest of your journey will hold.

8:00 a.m. Breakfast
Our sumptuous daily breakfast buffet features a wide choice of traditional breakfast egg dishes, plus Peruvian specialties, and fresh-squeezed fruit juices.

9:15 a.m. Tahuayo River Exploration and Fishing Trip at Charo Lake
This morning you will board our comfortable excursion skiffs for your first adventure, traveling from the Amazon through the Huaysi short-cut canal to explore the Tahuayo black water river. Life jackets, ponchos, rubber boots, and plenty of cold potable water will always be available for you on board the skiffs. As we float down the Tahuayo, occasional fishermen paddling in their dug-out canoes will give us a cheerful greeting. Keep your binoculars ready to spot a vast variety of wildlife: terns, orioles, blackbirds, black collared hawks, monkeys, and sloth share this wonderful environment with us. Upon

arrival at Charo Lake, you can bait your hooks to try to catch one of Amazonia's fearsome piranhas (and other fish as well). As you fish, trained guides will also tell you the story of the lake and its inhabitants.

11:30 a.m. Return to the M/V Aqua

Icy cold towels await you, as you transfer from your skiffs into the M/V Aqua. As the vessel continues up the Amazon River, you have some time to relax, or perhaps even take a nap, before lunch.

12:30 p.m. Lunch

Enjoy lighter mid-day fare in our air-conditioned dining room.

4:00 p.m. Yacapana Islands Exploration, Dolphin Sighting, and Night Excursion

Locals call the Yacapana Islands the "Iguana Islands," because of the huge population of these reptiles—like tiny dinosaurs—crawling over the ground and resting in the tree tops. We will pass by in the skiff, giving you a chance to snap good photos. As the sun sets, you will have the once-in-a-lifetime opportunity to see and photograph both gray and pink freshwater dolphins. The people of the Amazon believe that these dolphins turn into humans to steal handsome men or pretty women from their villages during celebrations. Once the sun sets and the jungle is dark, we begin our search for caiman, frogs, and different kinds of nightlife.

7:30 p.m. To the Headwaters

We will return to the M/V Aqua vessel and continue our journey upstream, toward the headwaters of the Amazon River, where the Ucayali, Marañon, and the Amazon Rivers merge.

Perhaps sip a pre-dinner Camu-Camu sour on the Upper Deck, while you watch the sun set.

8:00 p.m. Dinner

We will also take you deep into the jungle, where you will encounter wildlife and learn first-hand about the important medical value of jungle plants. And we will show you famous Kapok Trees (*ceiba pentandra*), the tallest trees in the Amazon Basin. Enjoy a generous picnic lunch at the Park Ranger Station No. 2, before we begin our journey back to our vessel.

Day 4: Tuesday

BIRTHPLACE OF THE AMAZON/PUERTO MIGUEL VILLAGE/NAUTA CAÑO

7:30 a.m. Breakfast

8:00 a.m. Birthplace of the Amazon

This morning, the M/V Aqua skirts the edges of the vast Pacaya-Samiria Reserve, a flooded forest covering five million acres at the headwaters of the Amazon basin. Rise early and be on your skiffs at 8:00 a.m. to view one of the great spectacles of the Southern Hemisphere: the sun rising over the birthplace of the Amazon River. Here—where the union of two major tributaries, the Ucayali and the Marañon, form the world's greatest waterway—nature is at its most dramatic. Your dawn excursion will be accompanied by abundant bird song, as you glide in small boats past river banks populated by large-billed terns, laughing falcons, gray tanagers, sandpipers, five kinds of parakeets, the exotic short-tailed parrot, and dozens of other birds.

8:30 a.m. Puerto Miguel Village

We will travel by skiff to Puerto Miguel native village, where you can meet and interact with local villagers from this most remote part of the world, and can learn a bit more about their culture, traditions, and folklore. You will also have the chance to purchase local handicrafts. On the way back to the Aqua we will navigate on a small connector canal between the Ucayali and Marañon Rivers, where you will have a chance to see the world's largest aquatic plant, the giant water lilies or "Victoria Regias."

12:00 p.m. Lunch

Share a last lunch with your fellow passengers who have taken the three-night journey.

3:30 p.m. Afternoon Excursion to Nauta Caño

Nauta Caño is also part of the Pacaya Samiria Reserve. It is known as the mirrored forest, due to its glistening black water lagoons. You will certainly enjoy observing different species, such as: toucans, parrots, macaws, iguanas, and more. On the way back to the M/V Aqua you will see a glorious sunset reflected in the waters of the mirrored forest.

6:00 p.m. Return to the M/V Aqua

8:30 p.m. Dinner

Meet new passengers who have signed on for the four-night trip, and enjoy your meal as we start our journey along the Ucayali River.

Day 5: Wednesday

UCAYALI/YANALLPA/DORADO RIVERS/PACAYA SAMIRIA NATIONAL RESERVE

7:00 a.m. Breakfast

8:00 a.m. Yanallpa River Expedition

This morning we will board the skiffs to explore this amazing black water stream, part of the vast Amazon flooded forest. Your guides will tell you about the rainforest and its dynamic life, as we explore what scientists call a “gallery forest,” because of its narrow vegetation, creating a tunnel of leaves. As we float through this tunnel, it is easy to spot parrots, macaws, and fluffy monk saki monkeys, very close to the skiff.

11:00 a.m. Return to the M/V Aqua

12:30 p.m. Lunch

4:00 p.m. Dorado River Exploration and Night Excursion

This afternoon we will take a magical journey through the “Mirrored Forest,” seeing towering trees reflected in the black water river, while spotting dozens of enchanting parrots, blue-yellow macaws, and a great variety of primates and sloths enjoying nature unperturbed by our presence. As we make our way back to our vessel, you will also have the chance to see caimans and frogs and fishing bats.

Day 6: Thursday

PUINAHUA RIVER/HATUM POSA LAKE/PACAYA RIVER

6:30 a.m. Hatum Posa Lake Expedition

This morning we will rise early to cruise this beautiful and intricate ox-bow lake. As we follow its shore, we will almost certainly surprise several kinds of monkeys and many types of birds, including terns, neo-tropic cormorants, egrets, herons, hawks, and our favorite horned screamers. We will also take the skiff into other black water lakes linked to this huge lake in the flooded forest.

8:00 a.m. Breakfast

9:00 a.m. Jungle Walk Near Hatum Posa or Village Visit

On this walk, your guides will introduce you to native people doing subsistence farming, and will tell you how they learned to cultivate wild plants and trees to earn farm income. Deep in the primary forest, your guides will also show you the wealth of fruit trees and medicinal plants hidden in the jungle.

11:00 a.m. Return to the M/V Aqua

12:30 p.m. Lunch

4:00 p.m. Pacaya River Exploration, Plus Night Trip from Ranger Station No. 1 to Yanayacu Lake
In the late afternoon, we will take our skiffs along the Pacaya River, journeying from Ranger Station No. 1 toward Yanayacu Lake, where you can see the abundant life that is hidden in the deep rainforest. We have chosen this time of day to give you the chance to see the late afternoon activity of the rainforest animals, including fluffy monk saki monkeys, capuchin monkeys, and the easy-to-spot howler monkeys. As the sun sets, listen for the loud, ferocious-sounding warning signals made by howler monkeys marking their territories.

When night falls, you will hear the second movement of the Amazon rainforest symphony, as other nocturnal animals send their shrill calls across the tree tops. As we take the skiffs back to the M/V Aqua, we will use our special spotlight torches to locate night creatures, including, perhaps, huge caimans.

7:30 p.m. Return to the M/V Aqua

11:00 a.m. Return to the M/V Aqua
From this point, we will start sailing down river, toward Iquitos.

12:30 p.m. Lunch

3:30 p.m. Carocurahuayte Lake/Fishing Trip
This afternoon, we will travel to this splendid “hot spot” lake, where you will be certain to catch some of the more than 3,000 species of tropical fish that live in the Amazon basin. Our key focus will be on piranhas, those small, carnivorous fish with a big reputation for being scary.

6:30 p.m. Return to the M/V Aqua
Once we are back onboard, the ship will continue its journey down stream, sailing toward Iquitos through the night.

7:00 p.m. Briefing in the Top Lounge- Recap of Itinerary and Sightings.

Leaving the peace and beauty of the jungle behind, we will enjoy our final dinner together, swapping stories about the wonderful experiences shared on the river.

9:00 p.m. Crew Presentation
After dinner, your guides will introduce some of the crew members that you have not yet met, but who have been busy with the “behind the scenes” work that has helped to create a seamless experience.

Day 8: Saturday

ARRIVAL IN IQUITOS/CHECK OUT AND DISEMBARK AT THE MAIN WHARF/CITY TOUR/TRANSFER TO THE AIRPORT

7:30 a.m. Breakfast

9:30 a.m. Morning Excursion – The excursions today depend on the level of the river. Weather and time permitting, this will be the last opportunity to see how people live along the Amazon—by visiting the lively riverside community of Belen, in Iquitos, by skiff. Here, where the houses and shops actually float on the river during some months, you will see the bustling food market for the entire Peruvian Amazon. All local inhabitants throughout the region sell and purchase goods here.

10:00 a.m. Return to the M/V Aqua

Sadly, it's time to finish packing. Please leave your packed suitcases in your suite for pickup before going to lunch.

12:00 p.m. Light Lunch

1:15 p.m. Disembarkation/City Tour/Manatee Rescue Center/Transfer to the Airport

Your afternoon in the remote city of Iquitos, accessible only by river or air, will not disappoint. This bustling town, complete with a house built by Gustave Eiffel, was once a rich center of the rubber industry. En route, we will visit the Manatee Rescue Center, where biologists and volunteers care for endangered Amazon manatees that conservation authorities have seized from local people and fishermen. Biologists will give a presentation about the project and its efforts to help these helpless mammals. You will also see how the manatees are cared for and are prepared for re-introduction into their natural habitat. Finally, we will stop at the San Juan Amazonian Indian Market, for a last chance to shop for local crafts.

5:00 p.m. Check-in at Iquitos International Airport

Your guides will help you with check-in, and will stay with you until you have boarded your flight back to Lima.

6:20 p.m. Your Flight Departs for Lima LP 371
